Replacement Value is for INSURANCE PURPOSES. The value stated is a recommended value for itemising on your insurance policy. It is an OPINION of theoretical replacement value on an identical or similar item (unless otherwise stated) from a traditional prestige New Zealand showroom, without discount or negotiation, in NZ dollars, including GST & Duty if applicable, on the date specified. It does not necessarily equate to replicating the item described. Some insurance policies will only cover you for 'indemnity' which may be less than the replacement value stated on this document. Check your policy document or with your broker/ insurer. This valuation is INDEPENDENT, the valuer declares no pecuniary interest in the piece described. There are no uniform selling prices for jewellery and unless stated, this value does not represent any previous or present retail price. This valuation is intended for the exclusive use of client named above and MUST NOT TO BE USED for price comparison. The valuer accepts no responsibility if this document is used for any other purpose. Jewellery Valuers Co. Ltd. accept no responsibility for any commercial transaction or third party relying on this document. E&O E.

This is NOT an insurance valuation. Retail value stated is an OPINION of theoretical retail price on an identical or similar item (unless otherwise stated) from a traditional prestige New Zealand showroom, without discount or negotiation, in NZ dollars, including GST & Duty if applicable, on the date specified. Items are valued in their current condition, deductions may have been made for wear and tear. Antique, and items that are not currently in production, are at the value they would realistically cost in open market situation between a willing seller and a willing buyer. This valuation does not represent the value one would expect to pay or receive if the item was sold for cash realisation. This valuation is INDEPENDENT, the valuer declares no pecuniary interest in the piece described. There are no uniform selling prices for jewellery and unless stated, this value does not represent any previous or present retail price. If used for selling purposes, the valuer accepts no responsibility if this document is used to indicate savings to a purchaser. Jewellery Valuers Co. This is NOT an insurance valuation. Retail value stated is an OPINION of theoretical retail price on an identical or similar item (unless otherwise stated) from a traditional prestige New Zealand showroom, without discount or negotiation, in NZ dollars, including GST & Duty if applicable, on the date specified. Items are valued in their current condition, deductions may have been made for wear and tear. Antique, and items that are not currently in production, are at the value they would realistically cost in open market situation between a willing seller and a willing buyer. This valuation does not represent the value one would expect to pay or receive if the item was sold for cash realisation. This valuation is INDEPENDENT, the valuer declares no pecuniary interest in the piece described. There are no uniform selling prices for jewellery and unless stated, this value does not represent any previous or present retail price. If used for selling purposes, the valuer accepts no responsibility if this document is used to indicate savings to a purchaser. Jewellery Valuers Co. Ltd. accept no responsibility for any commercial transaction or third party relying on this document. If you require an Insurance Valuation for this item, please contact writer. This is NOT an insurance valuation. Retail value stated is an OPINION of theoretical retail price on an identical or similar item (unless otherwise stated) from a traditional prestige New Zealand showroom, without discount or negotiation, in NZ dollars, including GST & Duty if applicable, on the date specified. Items are valued in their current condition, deductions may have been made for wear and tear. Antique, and items that are not currently in production, are at the value they would realistically cost in open market situation between a willing seller and a willing buyer. This valuation does not represent the value one would expect to pay or receive if the item was sold for cash realisation. This valuation is INDEPENDENT, the valuer declares no pecuniary interest in the piece described. There are no uniform selling prices for jewellery and unless stated, this value does not represent any previous or present retail price. If used for selling purposes, the valuer accepts no responsibility if this document is used to indicate savings to a purchaser. Jewellery Valuers Co. Ltd. accept no responsibility for any commercial transaction or third party relying on this document. If you require an Insurance Valuation for this item, please contact writer. This is NOT an insurance valuation. Retail value stated is an OPINION of theoretical retail price on an identical or similar item (unless otherwise stated) from a traditional prestige New Zealand showroom, without discount or negotiation, in NZ dollars, including GST & Duty if applicable, on the date specified. Items are valued in their current condition, deductions may have been made for wear and tear. Antique, and items that are not currently in production, are at the value they would realistically cost in open market situation between a willing seller and a willing buyer. This valuation does not represent the value one would expect to pay or receive if the item was sold for cash realisation. This valuation is INDEPENDENT, the valuer declares no pecuniary interest in the piece described. There are no uniform selling prices for jewellery and unless stated, this value does not represent any previous or present retail price. If used for selling purposes, the valuer accepts no responsibility if this document is used to indicate savings to a purchaser. Jewellery Valuers Co. Ltd. accept no responsibility for any commercial transaction or third party relying on this document. If you require an Insurance Valuation for this item, please contact writer.
